# Create a Goal Page

Encourage others to build shoeboxes online!

In a few easy steps, you can create a custom webpage for your church, group, or event in order to track your progress towards a shoebox goal! Just upload an image or logo, write an encouraging message, and decide how many shoeboxes you want others to pack. We'll send you a unique link for your page so you can share it by email or on social media. Then, spread the word, pray, and watch your goal tracker to see more children blessed with the Gospel!
